INDEPENDENT AUDITOR'S REPORT
To The Members of Uno Metals Limited

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Uno Metals Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its Loss and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

1. We draw your attention to Note No. 31 to the financial statement which explains the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
2. The company has not made provision for gratuity and leave encashment liability as per the provisions of the relevant act, which constitutes a departure from the Accounting Standards referred to in Section 133 of the Act. Since the nos of employees is less than the prescribed limit, management is in the opinion that this will not applicable to the company (Refer to note No. 1M to the financial statement)

Our report is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

ANNEXURE 'B' to the INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 11(g) of the Independent Auditor's Report of even date to the members of Uno Metals Limited on the Financial Statements for the year ended 31st March, 2020

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial control over financial reporting of Uno Metals Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Particulars

1 Significant Accounting Policies

A Basis of accounting and preparation of financial statements

(i) The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention on accrual basis. All Assets and Liabilities are classified into Current and Non-current generally based on criteria of realisation/settlement within twelve months period from the Balance Sheet date.

(ii) All Income and expenses are accounted on accrual basis

B Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialised.

C Fixed assets

Fixed assets are stated at their original cost, net of Cenvat/ Input Tax Credit, less accumulated depreciation. Additions include purchase cost, freight, duties and other expenses wherever incurred for acquisition and installation.

Fixed Assets retired from active use are valued at net realisable value.

D Depreciation

Fixed Assets are valued at cost of acquisition inclusive of any other cost attributable to bringing the same to their working life.

Depreciation on fixed asset is calculated under straight-line method over estimated useful life and in the manner specified in schedule II of the Companies Act, 2013. Depreciation is calculated on pro-rata basis on additions and deletions of fixed assets during the year.

E Impairment of assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognised in a prior accounting period is reversed if there has been a change in the estimate of recoverable amount

F Investments

Investments are valued at cost of acquisition, less provision for diminution as necessary.

Investments other than current investments, made by the Company are intended to be held for long-term, hence diminutions in value of quoted Investments are generally not considered to be of a permanent nature. Current investments intended to be held for a period less than 1 year from the date on which the investment is made are stated at cost adjusted for amortisation and diminution as necessary.

The management has laid out guidelines for the purpose of assessing likely impairments in investments and for making provisions based on given criteria. Appropriate provisions are accordingly made, which in the opinion of the management are considered adequate and also considering the prudential norms specified by the Reserve Bank of India, applicable to the Company in this behalf.

Dividend is recognised when the shareholders' right to receive payment is established by the balance sheet date. Dividend from subsidiaries is recognised even if same are declared after the balance sheet date but pertains to period on or before the date of Balance Sheet.

F & O Operations

Revenue (income) is recognised at the time of setting off or expiry of outstanding F & O position. The marked to market margin paid or received through broker from NSE/CSE is kept in "margin money a/c." After completion of outstanding F & O position by way of setting off or expiry, the "margin money a/c", is squared off with respect to the transaction and the revenue is recognised in form of debit or credit of "F & O a/c"

H Earnings per share

Earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders, by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period are adjusted for the effects of all diluted potential equity shares.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India.

30 Axis Bank Ltd -Interest & TDS discrepancy in Form 26AS

The Company had made certain Fixed deposits with Axis Bank Ltd and has been receiving quarterly interest in its bank account. However, the interest receivable (Gross Interest Rs.35,62,500/- TDS Rs.3,56,250/- Net Rs.32,06,250/-) on 31.03.2019 was credited in account by the bank on 04.04.2019 and TDS there on was also deducted on the same day. The Company is accounting Interest on accrual basis and the same was accounted during the Financial year 2018-2019. The Company also claimed TDS credit in its ITR for Financial year 2018-2019. However, the Interest and TDS credit is reflecting in Form 26AS of Financial year 2019-2020. As such the TDS credit has not been allowed by the Income tax authorities. Since the TDS is reflected in Form 26AS of the Financial year 2019-2020, the same will be claimed in ITR of Financial year 2019-2020. Therefore, there is a mismatch in Form 26AS during FY 2018-2019 & 2019-2020

We have been advised that this is in accordance with established practice and Laws of the land. TDS credit can be claimed only in one Financial year and any Income has to be offered for taxation in any one year. Therefore, Interest income has been offered for taxation in Financial year 2018-2019 and TDS credit has been availed in Financial year 2019-2020

31 Estimation uncertainty relating to the global health pandemic on COVID -19

Due to the outbreak of COVID 19 and subsequent lockdowns and restrictions introduced by the government, there have been temporary suspension in Office operations since 23rd March 2020 resulting in a mildly adverse impact on revenues and profitability. It has had a very limited impact on the financial year 2019-2020. However, the Company expects that the current situation will not affect operations for the financial year 2020-2021 and that it will consequently, not affect the profits of the Company. The Company is not in a position to gauge with certainty, the future impact on operations.
